

Strathmore Community Rugby Trust

Health | Community | Rugby

Role Title:	Events and Fundraising Assistant (Voluntary)
Purpose:	We are offering a rewarding and exciting opportunity for Events and Fundraising Assistants who will play a key role within the Trust as it continues to expand and develop. As a charitable organisation we are reliant on grants and fundraising, so this role is crucial.
Suggested Activities:	This is a wide and varied role. The candidate could be doing anything from being involved with the preparation for events in the community, from planning to event co-ordination, building up momentum with participants on the day of the event, being the perfect host for participants of the events, such as offering well-deserved refreshments and assisting with on the day tasks like hosting a stall or marshalling a route.
Requirements:	Positive, can-do attitude with a creative mindset. A knack for organisation and planning to prepare for these different events. A sociable personality to interact with different people at the event.
When and where:	Our projects are based throughout Angus and at various days and times.
What will the volunteer gain from this:	First hand experience in planning and hosting events to improve your skills in event management. Opportunity to network and socialise with a variety of people. Full support to help you in planning events.
